

ROLE

SUBJECT MATTER EXPERT (SME)

Goals

My goals are:

- Develop product features.
- Finish product backlog items for the current sprint.
- Avoid distractions in pursuit of efficiency.
- Ensure accuracy in product information.

External influences

- Water heater broke, which means cold showers.
- Product release coming up soon.

Concerns

My concerns are:

- Development pace is quick - not much energy left to ensure accuracy.
- Don't have time to review documentation.
- Reviewing documentation breaks up my workflow.
